Trail Rating System

- Easy
- Intermediate
- ◆ Difficult

- Existing Double Track Trails for Hiking, Biking and Walking (white trails)
- P Parking Areas

Note: Trail totals listed are for the newly built single-track trails. An additional 6 miles or 9.7 km are also available in the form of the double-track trails delineated by the white on this map. Each of these double-track trails is marked with its own colored trail tag. A separate detailed map is available at the pool house lobby.

Connection Point — Rush Pond Trails

Parking — Corner of West Mountain Road and Gurney Lane
The Rush Pond Trail is 2.6 miles long through the Rush Pond wetland area. This stoned double-track trail connects Gurney Lane Recreation Area to the north and the Queensbury School/Aviation Road (and adjacent watershed properties) developments to the south. Along the way there is a matrix of unmarked single-track trails to explore.
